SRI A.GOVINDACHARULU, M.L.C.,

A N S W E R .

(a) L.M.Ps and L.I.Ms get the same subsidies while working in rural dispensaries; but their scales of pay are different while employed either in ~~regault~~- regular medical institutions under local bodies or in Government service. L.M.Ps and L.I.Ms. under local bodies have little or no chances of promotion; while in Government service they have better chances.

(b) There is no proposal at present to provincialize the service of L.I.Ms. This question will however be examined in connection with the implementation of the Post-War proposal and the Bhore Committee's recommendations.
